Celebrating 60 Years of building in New Zealand

Since way back in 1964, we've been in the game, providing our fellow New Zealanders with top-notch buildings. Whether you're a city slicker or a country dweller, chances are we've been a part of your backyard story.

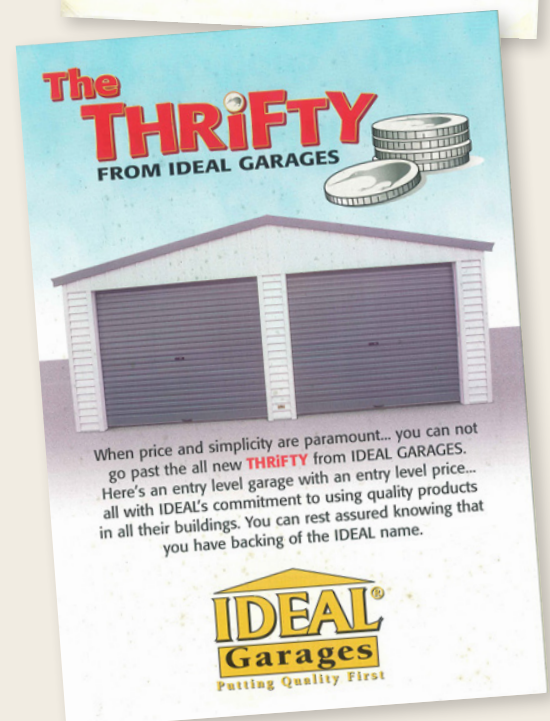

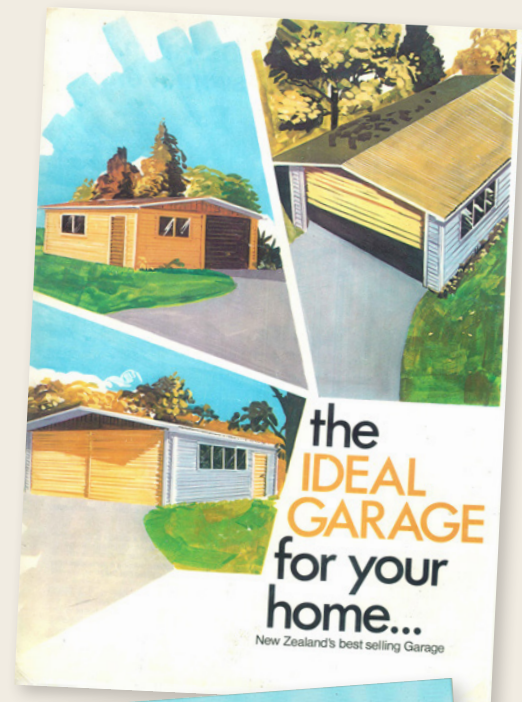

We started small, but we've always kept it real. Offering up good, honest advice and service you can rely on. Yep, we're the friendly faces who've built a reputation for being approachable and finding solutions that won't break the bank.

Proudly part of the Spanbild whanau, we're backed by some serious market know-how. From garages to sleepouts, cottages and carports, we have a range to suit every need and budget. With a bunch of designs, top-notch engineering, and service that's second to none, we've got all the essentials covered!

As we mark the milestone of 60 years, rest assured our commitment to our local communities is as solid as ever. We're here to keep delivering the goods, from Cape Reinga to Bluff.

Come join us as we raise a toast to the last 60 years and get ready for many more to come. Let's keep building together, Aotearoa. Cheers to that!
